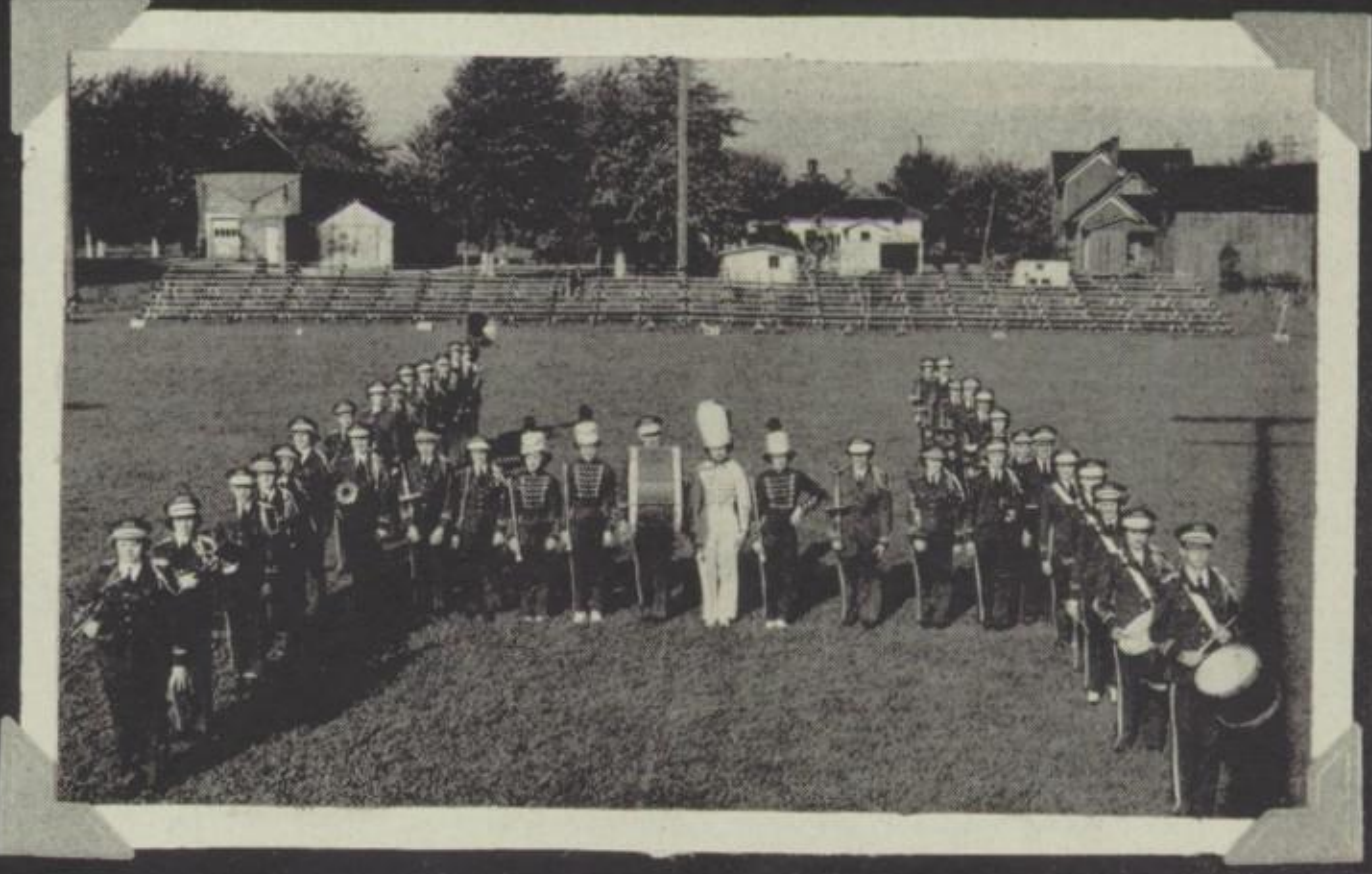
Dear Diary,

Well, this is the end of another year, and what a ringer it has been!

Each season brought happenings of its own which we never want to forget. Who could forget the thrill of watching the Aces smash through to victory on the grid, the basketball floor, and the diamond? The USO Show, the Junior and Senior Plays, and the dances are a few of the many events which we shall always remember from the '50-'51 year. Of course this year hasn't been all fun. There was always plenty of work to do and plenty of teachers standing by to see that we did it, but with all our griping, we all love them and have to admit that we couldn't get along without them. I'm telling you all this, Dear Diary, so that you can help me remember it all through the years.



Fall

Queen Connie Reigns Over Royal Bowl

Homecoming queen for 1950, Miss Connie Kennedy, was chosen by the football team to reign over the Garrett game. She wore a dark brown suit adorned with a red corsage. She had an attendant from each of the upper four grades: Senior, Jo Ann Shull; Junior, Rachel Wonderly; Sophomore, Nancy Bauer; and Freshman, Jeanette Shanks. The attendants wore contrasting colored suits with red and white carnation corsages.

The queen was crowned in the center of a large heart formation made by the band. She was escorted by the co-captains, Bill Hostetler and Francis Toth. Each attendant was escorted by one of the players from her class.

The high-stepping H. H. S. Marching Band presented a very effective half-time show using for its theme, modes of transportation. A part of their show included the formations of a horse, a canoe, an engine, and a plane while they played "The Old Gray Mare," "Cruising Down the River," "Down By The Station," and "Army Air Corps Song."

The Aces really played with everything they had, and added the finishing touches to a perfect evening by conquering the Garrett Railroaders 21-6.

Following the game everyone was invited to the dance in the gym, sponsored by the Senior Class, where Queen Connie reigned supreme.

Football

Fair week this year saw H. H. S. once again start its football machine rolling. On what seemed the hottest days of the year, you could see the "fellas" working out like mad. Sweat flowed freely, but they endured it with the hopes of making this year's football season a blaze of glory for dear old H. H. S.

With the return of 8 letter-men, our hopes were very high for the season. Among the seasoned veterans were "Blackbird" Hostetler, "Big" Toth, "Mousie" Jones, Ed Bakle and Max Culler of the Senior Class. The lower classes produced "Injun Charlie" Wetzel, Dick Kreg, Phil Tuttle, Bob Lehman, and Dick Babcock.

Shortly after football practice began, the polio epidemic came along and upset the schedule slightly, so with only four serious practice sessions, the Aces, with that old "do or die" spirit went into their first game.

Their biggest trouble seemed to be broken bones. In the very first game John Durre, a new member of the squad, broke his leg. Then Max Culler pulled a leg muscle, and in the Payne game Co-captain Bill Hostetler broke his leg. In spite of all this, however, the Aces turned in a very good season. When they hung up their pads, they had tied for second place in the League, and had been well represented on the All-League Team. Co-captains Toth and Hostetler held honorary positions on the first team and Babcock, Kees, Applegate, and Wetzel on the second team.

"Big Four"

Sapp, Ladd, Kaduk, and Drugg (not pictured) — this was our "Big Four" in coaching. Mr. Sapp and Mr. Ladd, our regulars from last year, received much help from Mr. Kaduk and Mr. Drugg for the linemen. We were very fortunate, indeed, to have such an able and competent coaching staff. Always on hand when they were needed, they have all gained the complete faith of the boys and the utmost respect of the entire student body.

One Foot in Stardom

Dear Diary,

Do you remember the date, November 17? Well, you should, that was the night the Seniors made their debut on the stage, our stage in the gymnasium. It certainly was a thrill to hear the crowd applaud as we presented our U. S. O. Variety Show to a capacity audience.

I'll never forget the way it started. We had with us that wonderful dancing team "Katona and Coskey" who danced to that grand old tune "Tea for Two," which still brings back memories. And for the ladies in the audience, I'm sure they all tried, "Cook's Holiday" special recipe for "Sunshine Cake." Those hillbillies were the silliest this side of that old Mason-Dixon Line—and if you won't tell anyone I'd say that I think they had just about enough of their "Little Brown Jug." I can hear the quartet singing yet, "East Side, West Side All Around the Town." But the best, I think, was saved for last, as the old saying goes. Yes sir! Weddings usually make you feel a little sad, but this time not one tear was shed, everyone was too busy doing the "Charleston."

But now seriously with all kidding aside I'd like to say, "The Senior Class had a delightful time presenting the show, spending many hours of practice and work preparing it. With the help of our class advisors and other persons in the community, our show was made a great success."

Freshman History

After watching many young people come into and go out of the high school building day after day for six long years we were very happy to be able to join the group at last. In nineteen hundred forty-eight we became a part of the hurry and bustle of the high school building. Like all seventh graders we made our mistakes and had to be told where to find classrooms, but finally we learned our way around and managed to get to classes on time. We chose the following officers to guide us this year: Marilyn Kennedy, Judy Adcock, and Robert Hurni. The supervisors were Miss Estella Annis and Mr. O. C. Rodocker.

When we entered the high school building in nineteen hundred forty-nine we felt more sure of ourselves. This year we were guides for the seventh graders for we were "old timers" by now. To lead our class this year we chose the following: Clair Slattery, Sharon Keener, and Dick Mastin. The Student Council members were Clair Slattery, Millie Jo Horn, Robert Hurni, and David DeMuth. The supervisors were Mrs. Berenice Bungard and Mr. Derrill Murphy.

By nineteen hundred fifty we felt very much at home and really did not mind being called "Freshies." One of the nice things about this year was the privilege of choosing a candidate, Jeanette Shanks, to compete for the honor of being Queen of the Homecoming Football Game. Our candidate was one of the attendants of Queen Connie Kennedy.

We enjoyed choosing our own subjects this year. The class officers were David DeMuth, Marjory Tustison and Dick Mastin, and the Student Council members, David DeMuth, Lucretia Hostetler and Ralph Timbrook. The supervisors were Miss Esther Howenstine and Mr. John Kaduk.

Eighth Grade History

In the fall of 1949, our class of 1955 entered the new building as very green seventh graders. We soon tamed down, however, and got down to business. At our first class meeting we elected as our officers the following: President, John Bakle; Vice-President, Phyllis Applegate; and Secretary-Treasurer, Eddie Perry. Our class advisors, Mrs. Davis, and Mr. Rodocker, helped us with our two class parties, one in the gym and one at Roadside Park. We were very fortunate in having chosen from our class the Jr. High cheerleaders who were Phyllis Applegate, Nancy Dull, Pauline Katona, and Henrietta Linder.

When we came back to school this fall, we undertook the job of acting as guides for those little seventh graders. We surely had a lot of fun showing them how experienced we were! To lead our class functions this year we chose as President, Duan Roth, as Vice-President, Richard Amaden, and as Secretary-Treasurer, Pauline Katona. We had two wonderful class parties with the help of our advisors, Mrs. Bungard and Mr. Murphy. I guess we really know how to make the noise because the Jr. High cheerleaders were again chosen from our class. This time it was Nancy Dull, Pauline Katona, Henrietta Linder, and Bonnie Shuherk who cheered the Little Aces on to many victories.

Seventh Grade History

As the forty-four of us entered the new building last fall, completely ignorant of where we were going, we managed to arouse the usual sensation of "wandering seventh graders." The "big kids" looked down upon us tolerantly, and just between you and me, I think we reminded them of when they were seventh graders and just as "green" as we, but of course you couldn't get them to admit it on a bet. Under the capable guidance of our sponsors, Mrs. Walker and Mr. Rodocker, and our teachers, Miss Henry, Mrs. Bungard, Mr. Murphy, Mr. Sapp, Mr. Tongring, and Mr. Walker, we soon learned the trick of appearing at the right class at the right time.

We were very happy to welcome to our class two new members, Melvin Brock and John Zarins, a Latvian immigrant. We hope they will remain with us through our next five years at H. H. S.

We soon got our class meetings under way and elected as our officers the following: President, William Bricker; Vice-President, Leona Katona; and Secretary-Treasurer, Rose Onstott.

As seventh graders we don't have so many class activities as the upper grades, so we all got a thrill when we had our first real class party in the gym on January 12, 1951. We are looking forward to another year of even bigger and better activities when we will be eighth graders and will be able to look down upon those little seventh graders with that "all knowing" eye of experience.

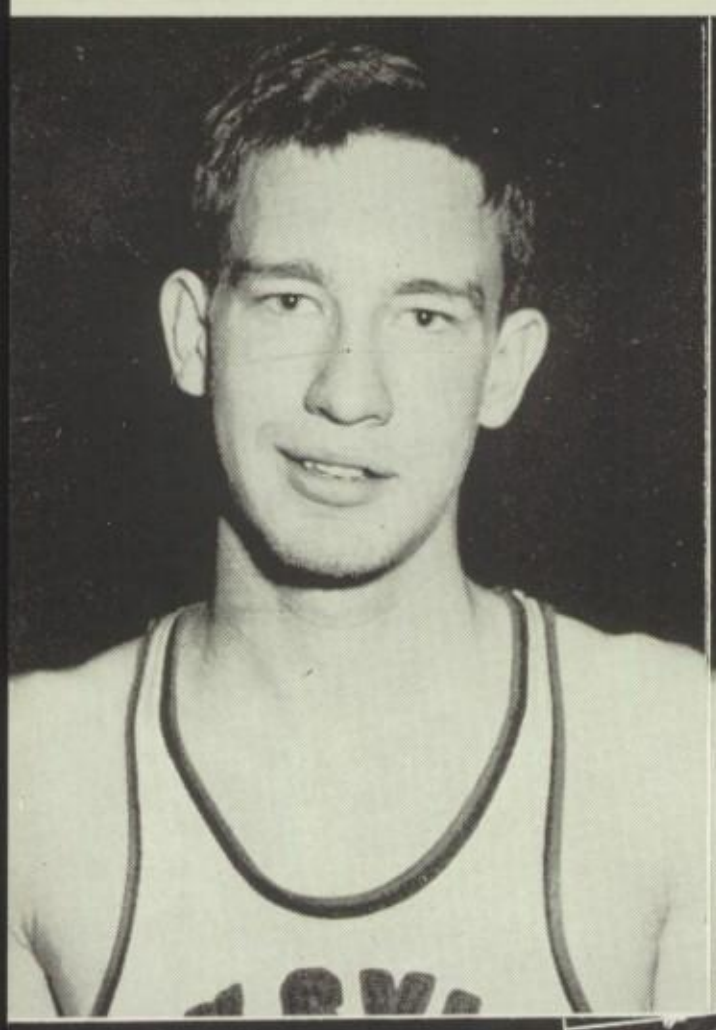
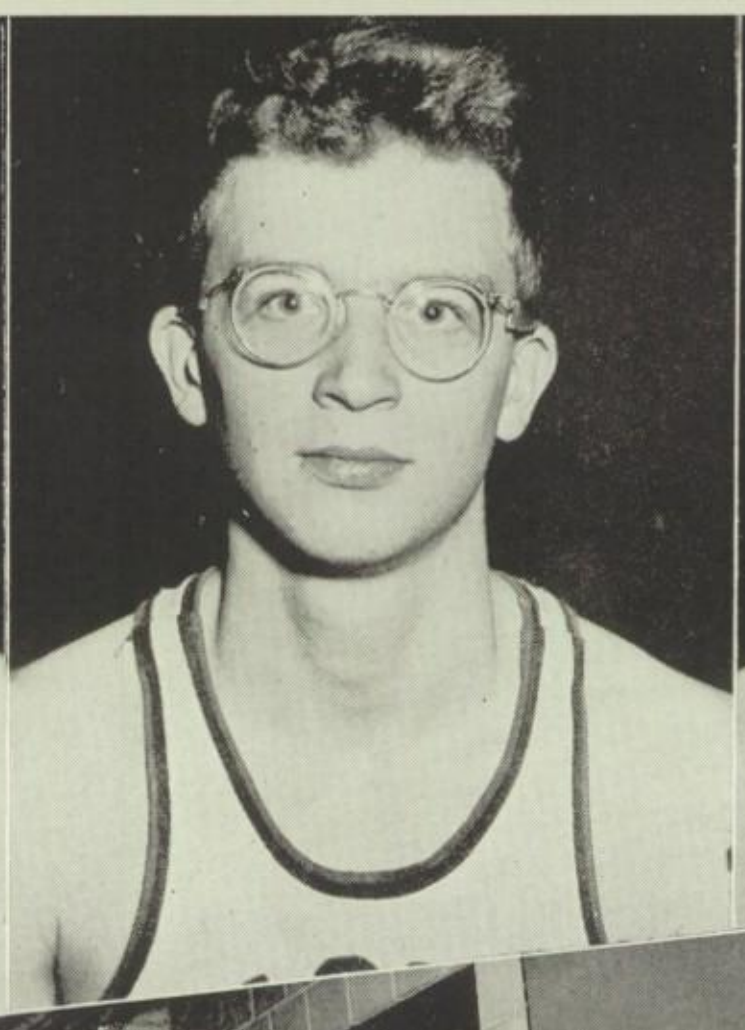
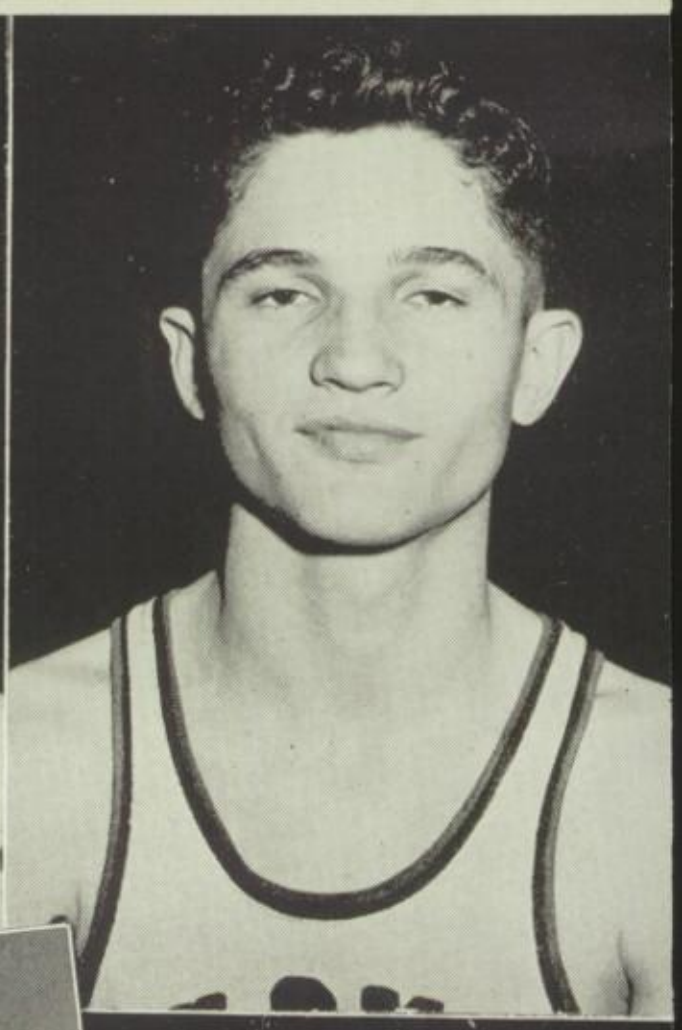
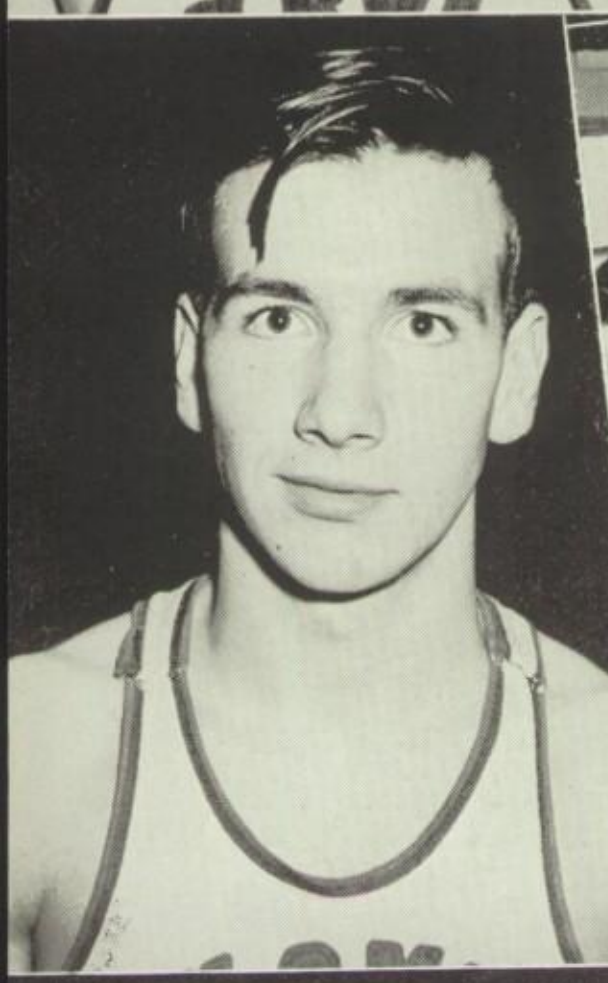
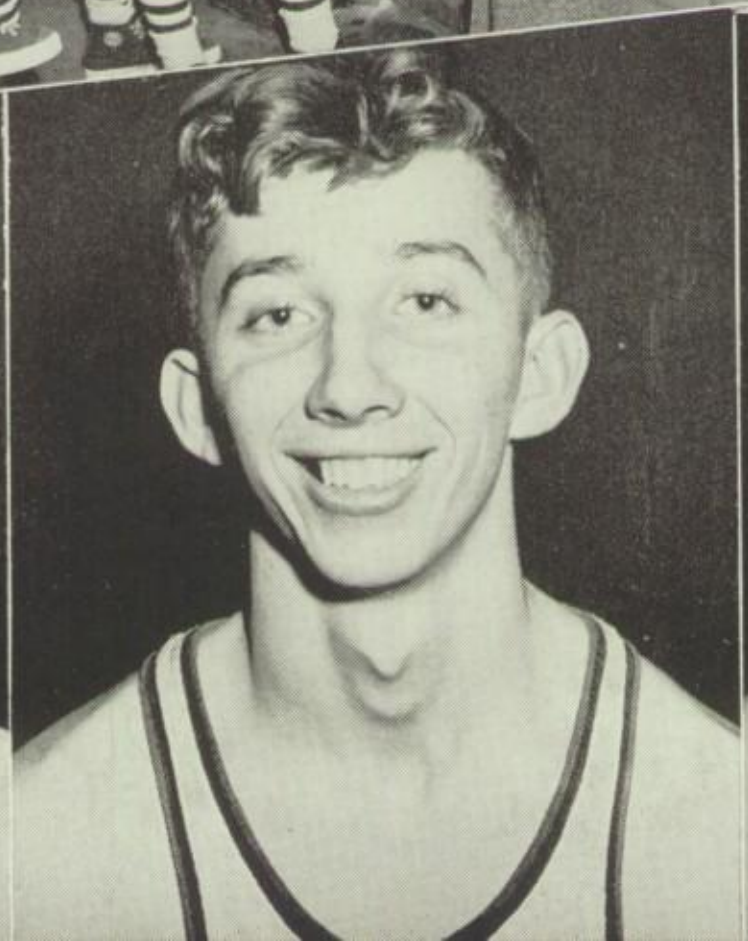
Winter

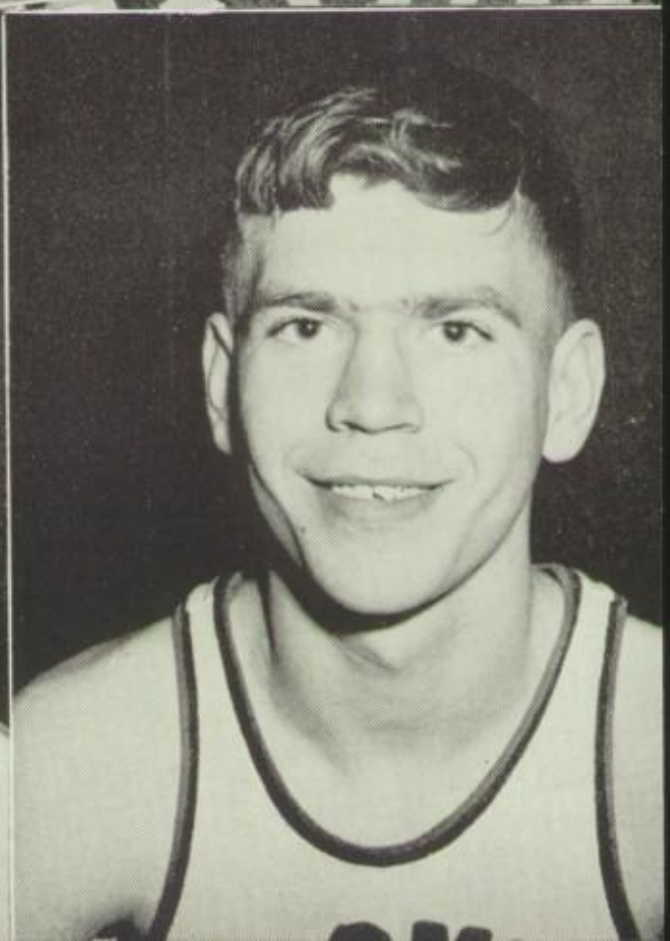


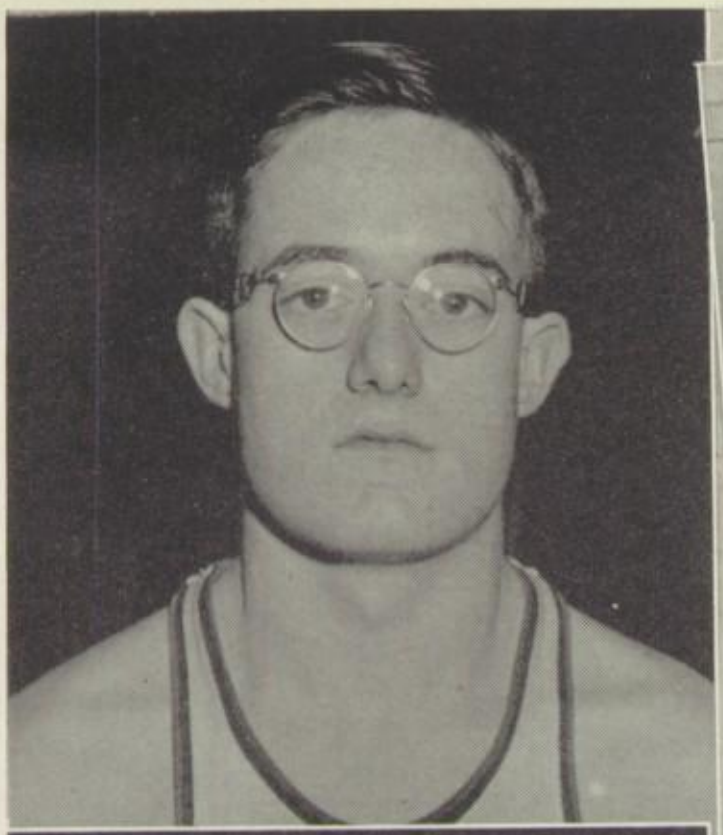


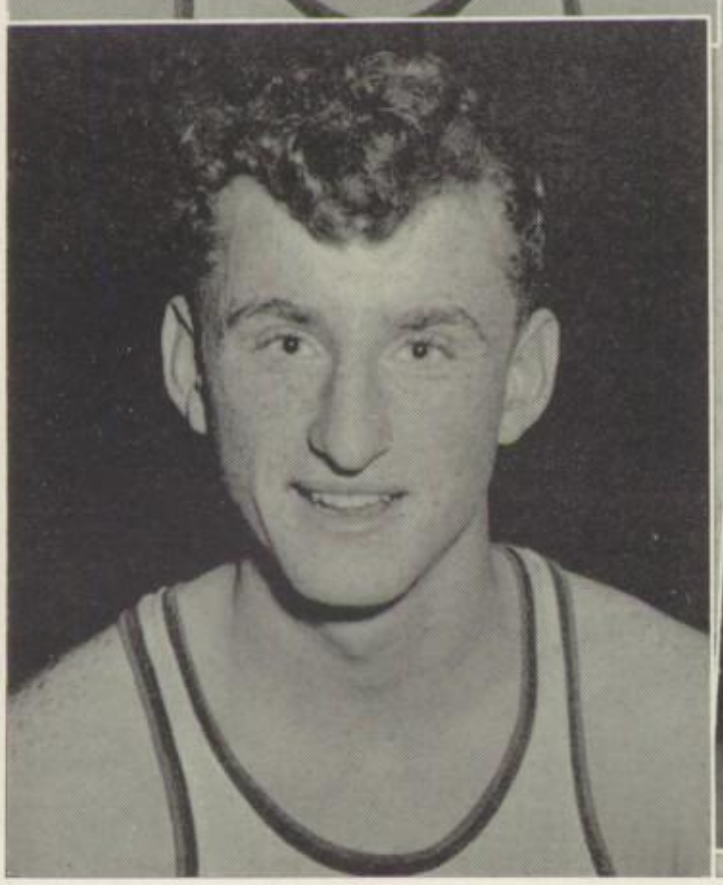












H. H. S. "Hotshots"

Row 1—Ed Neidhardt: A great rebounder, but how nice it would be if he would use more of his natural offensive ability —Co-Captain.

Max Culler: The "driver" of the team—developed an effective drop shot—Co-Captain.

Dick Kreg: Feared by all the opponents for that sizzling, sniping set shot.

Lowell Applegate: We expect great things from him as a playmaker and backboard man next year.

Managers: "Blalock and Bakle"—All time, big time managers—Right there on the job.

Row 2—Bill Hostetler: A scrapper—great defensive player.

Coach: "Mike" Sapp—The Best in the land—Famous for those "half-time discussions" which brought the boys through.

Roger Miller: An all-around man for his height-rebounding, defensive play and hit well on several occasions.

Jim Irey: A sophomore—gaining experience and confidence should put him among the "all time" better players.

Cheerleaders: "Amaden, Stauffer, Cleland and Nelson"—To be commended for their outstanding ability in leading and producing "variety" in their cheers.

Row 3—Norbert Kees: Came through in the "clutches" to determine the difference in several ball games.

Jim Jones: As fine a shot as we ever hope to see—in Hicksville or elsewhere.

Bob Lehman: A good defensive man and ball handler—we are expecting some good offense too, next year.

With only a brief practice period H. H. S. dropped their first ball game, and then got on the right side of the ledger with a nine-game winning streak, before losing to Harlan in a thriller. The "Aces" didn't say die but bounced right back, winning six more of the scheduled games including some of the tougher teams such as Spencerville, Edon and Ayersville—then bowed to the Edgerton "hot-shots" in the final game by several points. The "Aces" finished the season's schedule and tourney play with an over-all 17-5 record.

Reserves

Without a doubt Hicksville's Basketball Reserve Squad was the best in this section of the country. Under the coaching of Cleo Ladd, the team showed much improvement as the season wore on.

Their impressive record of 18 wins and no defeats is unequaled in previous campaigns.

In future years Hicksville can count on a winning varsity bolstered by the high spirit and teamwork of these players.

"Little Aces"

Because of the large turnout for Jr. High basketball, Coach John Kaduk made two teams of basketeers. One team was made up entirely of eighth graders; the other team consisted of both eighth and seventh graders.

If the fundamentals of basketball can be installed in boys of this age, their progress in varsity basketball becomes more rapid and certain. The degree of skill acquired in any activity always reverts to good fundamentals.

We can see in these boys the reflection of Hicksville High School's athletic future for as these teams progress through the high school grades, Hicksville can be assured of tall, fast, and "smart" basketball teams.

Yea Team, Fight!

The mighty Little Aces were cheered on to victory by their four snappy cheerleaders—Nancy Dull, Pauline Katona, Henrietta Linder, and Bonnie Shuherk. These four girls have done a swell job with their yells and were always behind the boys when they needed encouragement. We congratulate you girls on the fine job you have done and hope to see you, in a few years, as our varsity cheerleaders.

At our annual spring banquet the awards were given to the girls on the basis of points acquired by their attendance and participation in activities.

"Take a Letter, Miss Jones"

With business holding such an important place in our peaceful world of tomorrow, the object of the Commercial Club is to develop and promote high business ideals.

Mrs. Culler is our able advisor and for assistance, she has Judi Olsson as President; Marie Breidenbaugh, Vice-President; and Jeane Engle, Secretary-Treasurer.

Our first meeting was the annual initiation picnic at the Roadside Park, which was rugged for some of the members, as indicated by the pictures below.

The initiation included feats such as trying to feed each other blindfolded, and novelty relay races. Festivities were carried over to the next day when the boys wore ribbons, make-up and girls wore ties, no make-up and their hair in small pigtails.

Amo, Amas, Amat!

The purpose of our Latin Club is to increase the interest in the value of classical culture and to arouse a desire to make this learning available to others. Mr. Walker, a very capable leader, has helped the club in many different ways in their activities such as preparing reports, debates, and discussions.

The Latin Club began its activities this year by having a wiener roast at the Roadside Park. The students elected to represent the club were, Eugene Katona, President; Mary Lou Brown, Vice-President; Joyce Slaughter, Secretary-Treasurer.

The Latin Club is planning a play to be given before the student body. The theme of the play is the troubles of Ulysses and his men during their return from Troy.

Sophomore History

After going through the usual state of confusion which seventh graders suffer upon entering the new building for the first time, we settled down to getting our class activities started by electing as our officers Lewis Wonderly, Eugene Katona, Nancy Bauer, and Paul Slattery.

As very learned eighth graders, we looked down upon those little seventh graders and wondered whether we had ever acted that silly. Our officers, Ruth Graber, Eugene Katona, and Mary Brown, with our able assistance, kept the ball rolling for a year of many class activities.

As freshmen we were first exposed to the school of "higher learning." It seemed a great privilege to be allowed to choose our own subjects instead of just taking what everyone else had to take. Initiation wasn't so bad as the upper classmen had threatened it would be. At first we were sure that we would all be murdered in cold blood, but they must have taken pity on us. Our freshman class officers were George Rosendaul, Brooke Tuttle, and James Irey.

At last we are getting to be some of the "big kids." Our officers, Brooke Tuttle, Paul Slattery, and Elizabeth Benninghoff have done a great job this year in keeping our class active. Our dance was a huge success. We chose royal-blue and gray as class colors, but our really "big moment" came when we ordered our class rings, and, believe me, we think ours are the best of any class yet! We are looking forward to receiving them next year along with all the events and excitement of being Juniors.

"Hot Off the Press"

The Spoondrift was published monthly during the past year by the Junior Class of Hicksville High under the supervision of Miss Jacqueline Henry and Mrs. Mary Culler.

Since no journalism course is offered to students at Hicksville, work on the Spoondrift gives training in that field. Other aims of the paper are to inform the public of all school activities and to stimulate creative writing.

Work hard? Yes, the staff of the Spoondrift has done that very thing, but it was worth it. Their success, through work and co-operation, will bring back memories which will repay them many times over.

Junior Class History

In September, 1946, the class of '52 entered the high school building as seventh graders. We elected Lowell Applegate, Jim Hirzel, and Bernadette Kenner as our class officers. We had two class parties which were held in the gym.

Our eighth grade advisors, Mr. Lykens and Mr. Zimmerman, helped our officers, Ed Neidhardt, Sally DeMuth and Bernadette Kenner, plan two wonderful class parties in the gym. It was in this year also that our civics class journeyed to Columbus where we visited the state capitol building and other places of interest.

When we returned in '48 as Freshmen, we elected Sally DeMuth, Bob Lehman, and Bernadette Kenner as our class officers and Carma Nelson, Bob Lehman, and Ed Neidhardt as our Student Council members. This year we sponsored a dance with the theme of "Buttons and Bows."

As Sophomores we chose our class flower and colors and selected our class rings. This year as officers we chose Ed Neidhardt, Sally DeMuth, and Bernadette Kenner. We sponsored a dance in the spring with a theme of "April Showers."

As Juniors we have already received our class rings and sponsored a dance. We also made up the staff for the Spoondrift. As officers we have Mary Farlee, Sally DeMuth, and Bernadette Kenner. We are represented in the band, chorus, G.A.A., Latin Club, Commercial Club, F.F.A., cheerleaders, football, and basketball teams. Outstanding events were serving the Elevator Dinner, the Class Play, and, of course, the Junior-Senior Prom.

Big Wheels!

Sophomore Officers

We all come to know and respect these three through their many activities. We connect some special ability with each one of them. With Elizabeth it's those A's; Brooke excells in sports, especially basketball, and with Paul it's those "Dead Eye Dick" shots which helped the reserves acquire their no-loss season. Hats off to you all! You've done a great job.

Junior Officers

This all-girl trio has led the countless Junior activities with the zest and capability that demands commendation. Bernadette, Secretary-Treasurer of her class every year since she was in the seventh grade, is a member of many organizations around school as well as being able to keep up those grades. Mary, besides being the only girl in school with two rings on the third finger of her left hand, has become well recognized as a good leader and a dependable officer. Sally, another "brain" of the class, will always be remembered for her wonderful sense of humor and ability to laugh under any circumstances.

The Big Show Presents

The 1951 Coronation was televised from the school auditorium on the evening of March 3, over the National Network H.H.S., station WORK.

Preceding the Coronation, "The Big Show" was presented starring Tallulah Bankhead (Alice Cook) as Mistress of Ceremonies, with such guest stars as Arthur Godfrey (Ed Bakle) who brought with him various talents, The Andrew Sisters (DeMar Keener, Ben Adams, and Jim Jones), and Connie Haines and Martha Tilton (Pat and Carolyn Wickerham). There were many laughs at "Thirty Days A-Sea," with Francis Toth and Jim Blalock. Who couldn't see Seymour and Dean Martin when they were so ably portrayed by Roger Miller and Bill Hostetler. Some laughed while others shed a few tears when Nub Kees portrayed one of the many thousand "lonely bachelors" listening as Judi Olisson presented her "Lonesome Gal" radio program. To add a little of the professional touch, "Madame" LeVeda Coskey presented her colorful "Interpretation Ballet."

Then through the television camera shown the highlights of the evening, the crowning of the king and queen and the presentation of their royal court. The honored students were:

King	Bill Hostetler
Queen	Connie Kennedy
Best Personality	Judie Blosser Gene Paul Volkert
Most Likely To Succeed	Marie Breidenbaugh Larry Adcock
Most Studious	Mary Ann Katona Max Culler
Most Musical	Jeane Engle Jim Ray
Most Athletic	Carolyn Wickerham Jim Jones
Wittiest	Mary Lee Schlosser Francis Toth
Crown Mistress	JoAnn Shull
Crown Bearers	Connie Hostetler Tommy Stuckman

Immediately following the Coronation, a Grand March, led by the King, Queen, and Royal Court, preceded the Royal Ball.

One, Two, Three Strikes—You're Out!!

Because this material had to go to press before the 1951 baseball season even began, we couldn't discuss the season's victories so let's take a rundown on last year's scores and take a look at this year's team.

Hicksville (at Delphos)	4	St. Joe	3
Hicksville (here)	2	Woodburn	15
Hicksville (here)	4	Delphos Jeff.	5
Hicksville (there)	5	Farmer	1
Hicksville (there)	20	Defiance	14
Hicksville (here)	14	Mark Center	1
Hicksville (here)	4	Farmer	3
Hicksville (here)	2	Edon	5

With most of last year's players returning, we should have a season even better than last year's. Under the coaching of Mike Sapp and his assistant Cleo Ladd, Hicksville is being built up into a formidable team. These two coaches have had to overcome many obstacles, one of the main ones being that Hicksville discontinued baseball throughout the war. This is only our third baseball season since the war, so when it ends we hope that Hicksville will have topped last year's 5-3 record.

Coach "Mike" Sapp—What would we ever do without him? He's there every night giving his advice and taking jokes and wisecracks. What more could be expected of a coach?

Ed Neidhardt—first baseman—Ed is always in there trying. Could more be expected of him?

Jim Hirzel—pitcher—Jim's a lefty. We expect much of him this year and next.

Dick Kreg—short stop—Dick is small, but fast. We think he resembles Pee Wee Reese.

Bill Hostetler—catcher—Bill led the team in runs scored last year (1950) with 8 runs. Enough said.

Bob Lehman—right fielder—Bob is one of the most versatile players on the team, serving as fielder and pitcher.

Dick Babcock—third baseman—Dick is a veteran now, this being his third year out. Dick was second in runs scored last year with 7.

Cleo Ladd—A very capable assistant coach. He was always right on the spot when you needed him, taping ankles, fingers, etc., and sometimes even substituting for the umpire when the "ump" didn't arrive. All in all they'll agree that he's a "right handy man to have around."

Donald Hissong—pitcher—"Hissy" is our other right handed pitcher, he shows much promise for this year.

Norbert Kees—"Nub" another right handed pitcher, gave opponent pitchers plenty to worry about because of his uncanny hits.

Max Culler—left fielder—This will be Max's third year out. Max is an efficient fielder and one of the best base runners on the team.

Ben Adams—pitcher—He was one of our best utility outfielders. Though he didn't play much, he was always on hand when he was needed.

Jim Jones—center fielder—This is "Mouse's" second year out, but his first at center field. With the experience he gained last year, he should be plenty tough this year.

Paul Slattery—second baseman—Although this is Paul's second year out, this will be his first year on the regulars. With a little more experience, Paul should give the opponents plenty of headaches.

Jim Irey—utility player—"Bean" is another player who didn't get in the game too often, but he was always there plugging and we couldn't have done without him.

Down On The Farm

The Future Farmers of America is a national organization of farm boys who study agriculture in the public schools of the United States and the islands of Puerto Rico and Hawaii.

The purpose of our chapter is to teach the boys leadership, co-operation, citizenship, and to help give them a start in farming.

The Hicksville F. F. A. was first organized under Mr. Austermuller in 1939. Then after a succession of teachers it was closed in 1947 for the lack of a teacher. It was then reopened in the fall of 1948 under the present teacher, Mr. Massie.

Some of our activities are: an annual Parent-Son Banquet, swine sale, Public Speaking Contest, Parliamentary Procedure Contest, state judging, radio program, seed cleaning, sheep dipping, and a pest hunt.

Some of our accomplishments for the past years were: winning a gold award in Parliamentary Procedure contest for two years, entering five teams in State Judging, winning the Dairy Type School Contest at Van Wert one year and second the next year, sending five boys to State Camp and having one boy chosen to go to Boys' State. We are sending four state farmer applications in to Columbus and hope Hicksville has its first State Farmers.

Prelude to Democracy

The student council of our school represents the student body and helps promote activities that are of general interest.

This year the big gavel was given to Gerald Hinsch and the little one to Sally DeMuth. The quill and money bag was delegated to Elizabeth Benninghoff.

The first business of the year was the planning of the inauguration of class officers and members of the council. Soon, a committee was appointed to select full length movies for the year. Arrangements were then made for choosing cheerleaders for the football and basketball seasons.

Homecoming and the inter-class basketball tournament were both sponsored by the council.

The project for the year was a $50 contribution to the Board of Education for the purchase of new blinds for the auditorium.

Each member of the council is ready to serve in making Hicksville High a better school.

Songbirds of H. H. S.

The high school chorus, directed by Mr. Jack Tongring, has furnished us with many musical programs. Some of their appearances included singing at Rotary, Chapel, and P. T. A.

During Christmas they sang Christmas carols in the hall and presented a program of varied Christmas music.

They showed their versatility by presenting many types of music such as sacred songs, classical, popular, and novelty tunes.

The chorus meets only twice a week, but by squeezing in a few night rehearsals, they were ready for the spring concert on March 9. At the concert Walter Crowl sang a bass solo. Glen Wonderly, singing a tenor solo; Walter Crowl, bass solo; and a girls' ensemble, consisting of Dorothy Linder, Sally DeMuth, Rachel Wonderly, Sandra Slaughter, Mary Barkley, Norma Poper, Kathleen Beerbower, Carolyn Cleland, and Georgia Davis took part in the Solo and Ensemble Contest on March 31.

On April 7 the chorus participated in the Band and Chorus Contest at Bowling Green. Quickly following the contest came the Defiance County Music Festival. Hicksville has taken part in this program for several years.The lucky ones who were selected to be in the group representing Hicksville rehearsed several times before April 7. Then on the day of the festival an all-day practice session was held, under the baton of the guest conductor, Dr. Kennedy, who directs the Bowling Green Choirs.

Between the district contests and the state contests the annual Music Awards Banquet was held on April 20. This was an event anticipated by many, for here the members of the chorus received their long awaited awards for service. Those who had been faithful for three years received a key; while those who had spent all four years of their high school time received a pin.

The State Solo and Ensemble finals were held at Ohio Wesleyan at Delaware, Ohio on April 21. Just a week later the Bands and Choruses whose ratings were high at the district took their part in the state contest held at Delaware.

Let Us Have Music

The Junior Band, first organized last year, is composed of thirteen seventh and eighth graders who formerly advanced from the beginners' band. Now known as the "B" Band, this provides an opportunity for training the young people for future years in the "A" Band.

The band meets once a week in sections and another time as a whole, making two rehearsals a week. Practicing the brass and woodwind sections separately makes it possible for Mr. Tongring to give more careful instruction to the individuals.

A Song in My Heart

This is the second year for our organization of the Glee Club. It happened this year that the periods were so arranged that it was inconvenient for juniors and seniors to participate. This makes it a very young group, but they did very well with their 34 members. They took part in the annual Christmas program held in the gymnasium. After Christmas, they got new songs to work on for the concert. Aside from singing such songs as "Stars Are the Windows of Heaven," "You'll Never Walk Alone," and "Good Night, Sweetheart," they included such favorites as "Alice Blue Gown," "By the Light of the Silvery Moon," and "You Tell Me Your Dream" in their concert on March 9. We have enjoyed their work greatly and know they will be able to keep up the good work in future years.

"And the Band Played On"

The opening of the football season meant plenty of work for the marching band. Although they were cut down in size slightly because a number of the boys went out for football, this didn't dampen their spirits one bit nor hamper those snappy half-time shows. Talk about work-outs—you don't know what exercise is until you get into the band! They did so much marching that their fallen arches were beginning to rise up in protest! They were well repaid for all their drilling, though, for at every game they presented a new half-time show with the snap and precision that would make even Ohio State proud. A typical show would consist of their ramp entrance, a "hi", a letter for the opposing team, one or two other formations, and the "H" for Hicksville.

Following the football season they began practice on more serious phases of music, but still didn't abandon their march music because it was they who led the parade opening the Christmas season in Hicksville.

With the beginning of the new year they began really serious work on their concert and contest material. And of course along about this time came those inevitable and very nerveracking "tryouts." Some were disappointed and some broke their arms patting themselves on the back, but that all goes with "tryouts." By March 9, they were ready to present their annual spring concert.

Meanwhile several ambitious souls had been practicing diligently for the District Solo and Ensemble Contest which was held at Bowling Green on March 31. They included: Fred Culler, Judy Adcock, Mary Jane Smith, Carolyn Cleland, and Suzanne Bricker each playing a drum solo; Bob Van Horn, baritone solo; Bob Lehman, piano solo; Carma Nelson and Lloyd Countryman, playing trombone solos; and Marie Breidenbaugh, clarinet solo.

The following Saturday, April 7, the band journeyed to Bowling Green for their district contest. Because of the reclassification of districts, our band was moved up from class C to class B2 competition. Another boost for our band that day was the fact that they gave their old uniforms back to the moths and donned their brand new ones for the first time.

On April 19, several members of our band participated in the Defiance County Music Festival held in Defiance. Ernest Manring, supervisor of music in Cleveland schools, directed the festival band.

The next evening, April 20, the music department held its annual awards banquet. At this time our musicians received their rewards for all their hard work. A letter was awarded for three years in the band, a pin was given for four years, and a pin with guard was awarded to those in the band for five or more years.

On the next morning, April 21, those who came through with a "first" at the District Solo and Ensemble Contest rose bright and early to start their journey to Ohio Wesleyan at Delaware for the state finals. The state contest for the band was held at Ohio Wesleyan the following Saturday, April 28.

To Our Clean-up Crew and Coachmen

The value of these six we often forget
Or fail to appreciate,
For their loyalness, patience, and service to us
Have helped to make H. H. S. great.

How would we get to school in the morning?
Who would take us home?
To find four "sweller guys"
You'd have to roam and roam.

Right on the job each morning,
Back again each night,
Bill, Allan, "Dutch", and Elmo
We think that you're "all right!"

What would we do without them?
How would we get along?
Who would we get to help us out
If something should go wrong?

So many times we're thoughtless,
And just make them more work.
Someone really should berate us
For being such a jerk.

So to our two janitors
Always faithful and true,
We want to say, "Thank you,
And hats off to you!"

—Marie Breidenbaugh

We think our four bus drivers, Bill Brickel, Allan Poper, "Dutch" Krill, and Elmo Waltenberger, are just about the finest anywhere. It is a great responsibility they have of seeing that so many people get to and from school safely, and they have managed very well. They seem to possess an unusual amount of patience with us for you know there are times when "kids will be kids," but they all seem qualified to handle just about any situation.

We also wish to express our appreciation to our two janitors, Roy Bauer and Alvin Beardsley. They were always right on the job to make our school building a pleasant place to which to come. So many times we were thoughtless and just made more work for them, but they were always very patient and did their work cheerfully, even though at times it does seem a rather thankless job.

Treasure Chest of Memories

Dear Diary,

Graduates carry into their later life many happy memories of high school days. It is the purpose of any yearbook to record and preserve these memories so that in future years it may become a permanent record of the happiest days of a person's life.

The responsibility of preparing Hicksville's yearbook of the class of 1951 has rested upon the Senior Class and the unfailing work and guidance of Mrs. Mary Culler, advisor.

The word "deadline" really means something, and it was our most used word for a long time. In the last minute mad-rush to get our assignments in, we all wished we had done them when they were first assigned to us. In spite of the rushing, we have all enjoyed preparing this book, and hope you enjoy reading it.

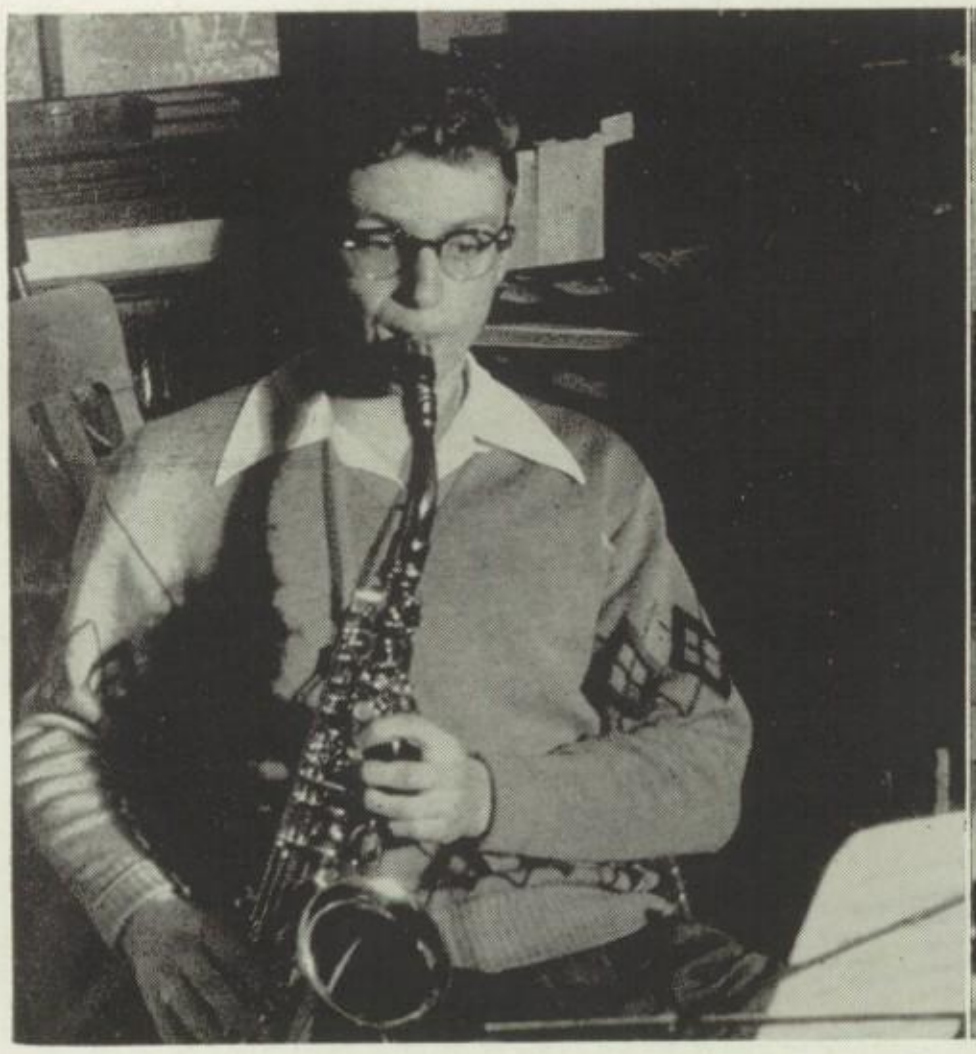
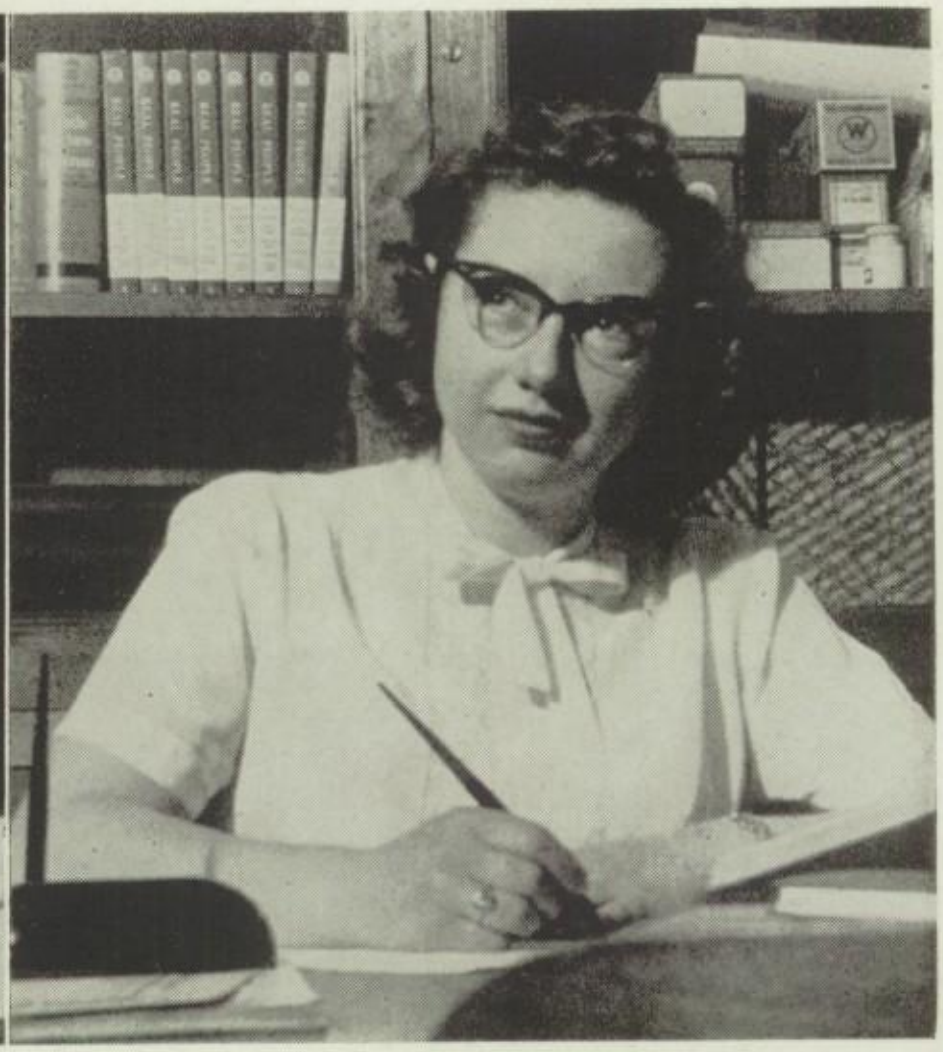
I'm Pleased to Present

Well, here they are, Diary Dear, the Senior Class officers. First on the left is our president, Larry Adcock. Larry, named Most Likely to Succeed, has shown much ability in leadership as our president and in his many other activities. Behind him is our vice-president, Gerald Hinsch. President of the Student Council and active in many other functions around school, Gerald is known for his big grin and his ability to get into trouble. Next is our secretary, Connie Kennedy. Being Homecoming Queen, Queen of the Coronation, co-editor of the Hixonian besides doing her school work and going steady with Bill have kept her a plenty busy girl this year. Last, but definitely not least, we come to our treasurer, Carolyn Wickerham. Known for her dependability and outstanding ability in all sports, it was no surprise when Carolyn was selected the Most Athletic Girl in the Senior Class.

You're in the Army Now!

Two of the boys in our class, Lowell Huntsinger and Carl Kallsen, who would have graduated with us are now in the U. S. Army. Much as we wish they were here to graduate with us, we know that it is only with their help and the help of others like them that peace among the nations can be achieved. Realizing the sacrifices they are making, we, the Class of "51", wish to show our appreciation and pride in them. We want them to know that they will never be forgotten by their classmates and friends, and hope that they will not forget us nor their days at H. H. S.





Val . . .

We, the class of 1951, wish to extend our congratulations to our valedictorian, Max Culler and our salutatorian, Marie Breidenbaugh.

These two young people are well known for their countless efforts, their scholastic ability, and their participation in many activities. They have attained this honor through much hard work and outstanding ability.

We sincerely hope that Marie's and Max's success may continue after graduation.

Sal . . .

So Long, It's Been Good to Know You!

To most people our class was no different than any other, except possibly as record noisemakers; but to Mama who was leaving her precious little baby all alone with strangers for the first time on that day back in '39, there was no other class like it in the whole world. I don't remember too much about it, but I have been told that things weren't too quiet. Yes, tears were falling and several wanted "Mama." We soon got over this, and entered the second grade feeling quite mature, looking down upon those little "babies" in the first grade. We were given the opportunity to show our great musical talent by playing in the Rhythm Band. Everyone who heard us agreed that we must be full of music, for they swore that none of it ever came out. Maybe we didn't sound so good, but we surely felt like "big shots" in our snappy red and white uniforms.

The years flew by and suddenly we were entering the sixth grade and into social life, for it was that year that we elected our first class officers and had our first real class party. I think we'll all remember that menu—sandwiches, potato salad, pickles, ice cream, chocolate milk, and cake. Mama had plenty of sick little darlings that night because, for some strange reason, most of us ended up with pickles and ice cream.

In '45 the fifty-three of us entered the new building as very green and gullible seventh graders. By '46 we were "old timers" at the business, and undertook to publish a book, "The History of Hicksville," in civics class. We felt very grown up, indeed, when Mr. and Mrs. Chaney chaperoned us on a trip to Columbus where we visited our state capitol buildings and many other places of interest.

Freshman! How the word thrilled us with a pleasant thought of only four years left to struggle through. Strangely enough we lived through initiation (which wasn't really so bad after all) and further proved that we were really the "rovin' kind" by taking another trip, this time to Detroit.

As sophomores we remember choosing our class motto, "United We Stand, Divided We Fall;" our class colors, maroon and gray; our flower, the yellow rose; and ordering our class rings.

We worked very hard as juniors. In the fall we gave our class play, "Bolts and Nuts," a sensation, and there was Mama beaming with pride at her conviction that the entire cast had one foot in stardom. She was even prouder after we presented our variety show called "Showboat" which included the entire class. This year Mama also began to think her Baby was growing up as she saw her daughter receiving flowers and leaving in a formal, and her son worrying about flowers and the car—all of this for the Junior-Senior Banquet for which we had worked so hard.

This, our senior year, has brought on its hard work with the "U. S. O. Show," Hixonian, magazine and greeting card sales, homecoming, class play, coronation, and concessions at basketball and football games. But this was treated lightly for we were looking forward to the joy it would bring on the class trip to New York City. We will all have memories of the Junior-Senior Banquet, Baccalaureate, Commencement, and the many things that happened to each one of us. The school may forget us, but we shall never be able to forget our memories of good old H. H. S.

February 6, 1961

Dear Diary,

I was just sitting here today looking at my old Hixonian. The years have certainly flown by.

I wonder if the kids are still the same. Guess I'll write to Marie tonight and ask her if she knows where they are. . . . . .

Dear Diary, February 18, 1961

Today I got a letter from Marie. She answered my numerous questions about the kids of H. H. S. Since she lives in New York now, (her job in the WAF takes her there) she could give me quite a few details. Francis Toth has a very "classy" night club called "Bottoms-Up." In his fabulous place he features Peggy Dull as his favorite singer, along with her partner and co-star Alice Cook. They do a very colorful acrobatic number which is really worth seeing. Marie relates that while she was in training down in Texas, an old classmate, Carolyn Wickerham, was stationed there. She is a career girl in the WAFS. It seems that Mary L. Schlosser has been sent to California, so she didn't get to see her. . . . . .

Dear Diary, February 27, 1961

Today I received a letter from Bonnie Kees McKinley who lives in Saddlespread, Missouri. She told me that she lives close to Glen Wonderly who is a scientific farmer. They spent many enjoyable evenings together telling their families about their lives in H. H. S.

Gene Paul Volkert, nationally known for his potatoes, (they're as big as muskmelons) lives very close. He's showing Ben Adams a better way to raise those "famous potatoes."

Dear Diary, March 6, 1961

I can't write much because I must go to see Dorothy Otis. She's waiting for me at the roller skating rink owned by DeMar Keener. It's called "Girl's Dream." Same old DeMar!! He features at his rink two famous couples, nationally known for their skating ability, Jo Shull and Roger Miller, Bill Hostetler and Connie Kennedy.

Dear Diary, March 15, 1961

I am getting my picture taken at Ray's Studio; Jim has really made his hobby pay. As his assistant I found Mary Ann Katona who is studying art in her spare time.

Dear Diary, March 24, 1961

Today I journeyed over to " 'Twerp," Ohio where I found Barbara Wonderly, Yvonne Driver, Martha Timbrook, and Jeane Engle. They have taken up residence in " 'Twerp." This must have been carried over from our high school days.

Dear Diary, April 3,1961

Sharon Walters Gerig wrote me the other day that little Joey needed his teeth fixed, so since her regular dentist was out of town she took him to the dentist that her doctor had recommended. To her amazement, it was none other than Max Culler and as his assistant, his pretty wife, Shirley Mettert.

Dear Diary, April 18, 1961

Today I got a TV set. First program I listened to, I heard Norma Lobdell's "Women's Hour." After her program, LaVeda Coskey and Judi Olsson presented their "Advice to the Lovelorn." Then as a special attraction Norbert Kees SANG "I Have But 50c."

Well I must run, I'll write more later. . . . . .

Dear Diary, April 21, 1961

I saw a very beautiful sign being put up, the face on it looked familiar, so I took a closer look—it was James Blalock and the sign read: "If your doors hang open, use BLA LOCKS." They must be good if James is advertising them.

Dear Diary, April 26, 1961

Last week I picked up a famous model magazine and what should I see but Judie Blosser's and Katie Rohrs's pictures on the front cover. They're famous models now.

Dear Diary, April 26, 1961

Today I received an advertisement from Bakle, Hinsch, and Jones's Paper Wad and Shooters, Inc. They are producing a new type of paper wad. They have really shot themselves to the top!

Dear Diary, May 2, 1961

I just heard Margaret Struman's "Guest Show" on the radio. One of her guests was Norma Poper, singing the "Indian Love Call." It really took me back to "The Big Show" we presented at our Coronation in '51. Then I heard the well-known correspondent, Larry Adcock. I think our Coronation TV Show helped him to take up that field. . . . . .

Dear Diary, May 8, 1961

Today I received a newsy letter from Pat Wickerham. She has finally achieved her most cherished dream. She is a dental technician in the WAVES.

I guess I'll have to go now, I have to go on K.P. in a few minutes. The WAFS are wonderful but this K.P.!! Bye for now. . . . . .

—Patty the Prophetic Prophetess

Student Highlights of '50-'51

SEPTEMBER

4—School begins with two new teachers and numerous Freshies. Which created the greater curiosity?

27-28—Thanksgiving may be over but we're still thankful—no school because of the snow storm.

DECEMBER

6—Repeat Senior USO Show—was it really THAT good?

15—The pupils in the grades were treated with candy and in high school they were treated with tests. School dismissed for Christmas vacation.

27—Vacation time speeds along fast. Careful, just so it doesn't get arrested.

JANUARY

2—Starting a new month and new year of school! HAPPY DAYS!!

10—Mr. Ringer informs us that there are reserved seats for those who talk in civics class.

19—New Haven tourney starts. Neidhardt, Kreg, Lehman, Savage, Hirzel, and Babcock A.W.O.L.

22—When the teachers had their pictures taken today, the photographer said, "Look pleasant for just a moment, then you may resume your former expression."

29-30—"Peter BeWare" Junior Class Play. Nice Work!

APRIL

6—Pupils in the grades have the measles and pupils in high school have spring fever.

18—Charlie Wetzel hasn't enough reading material at school, so he brought a Toledo Blade with him today.

26-27—Senior Class Play . . . Went off with a bang!

MAY

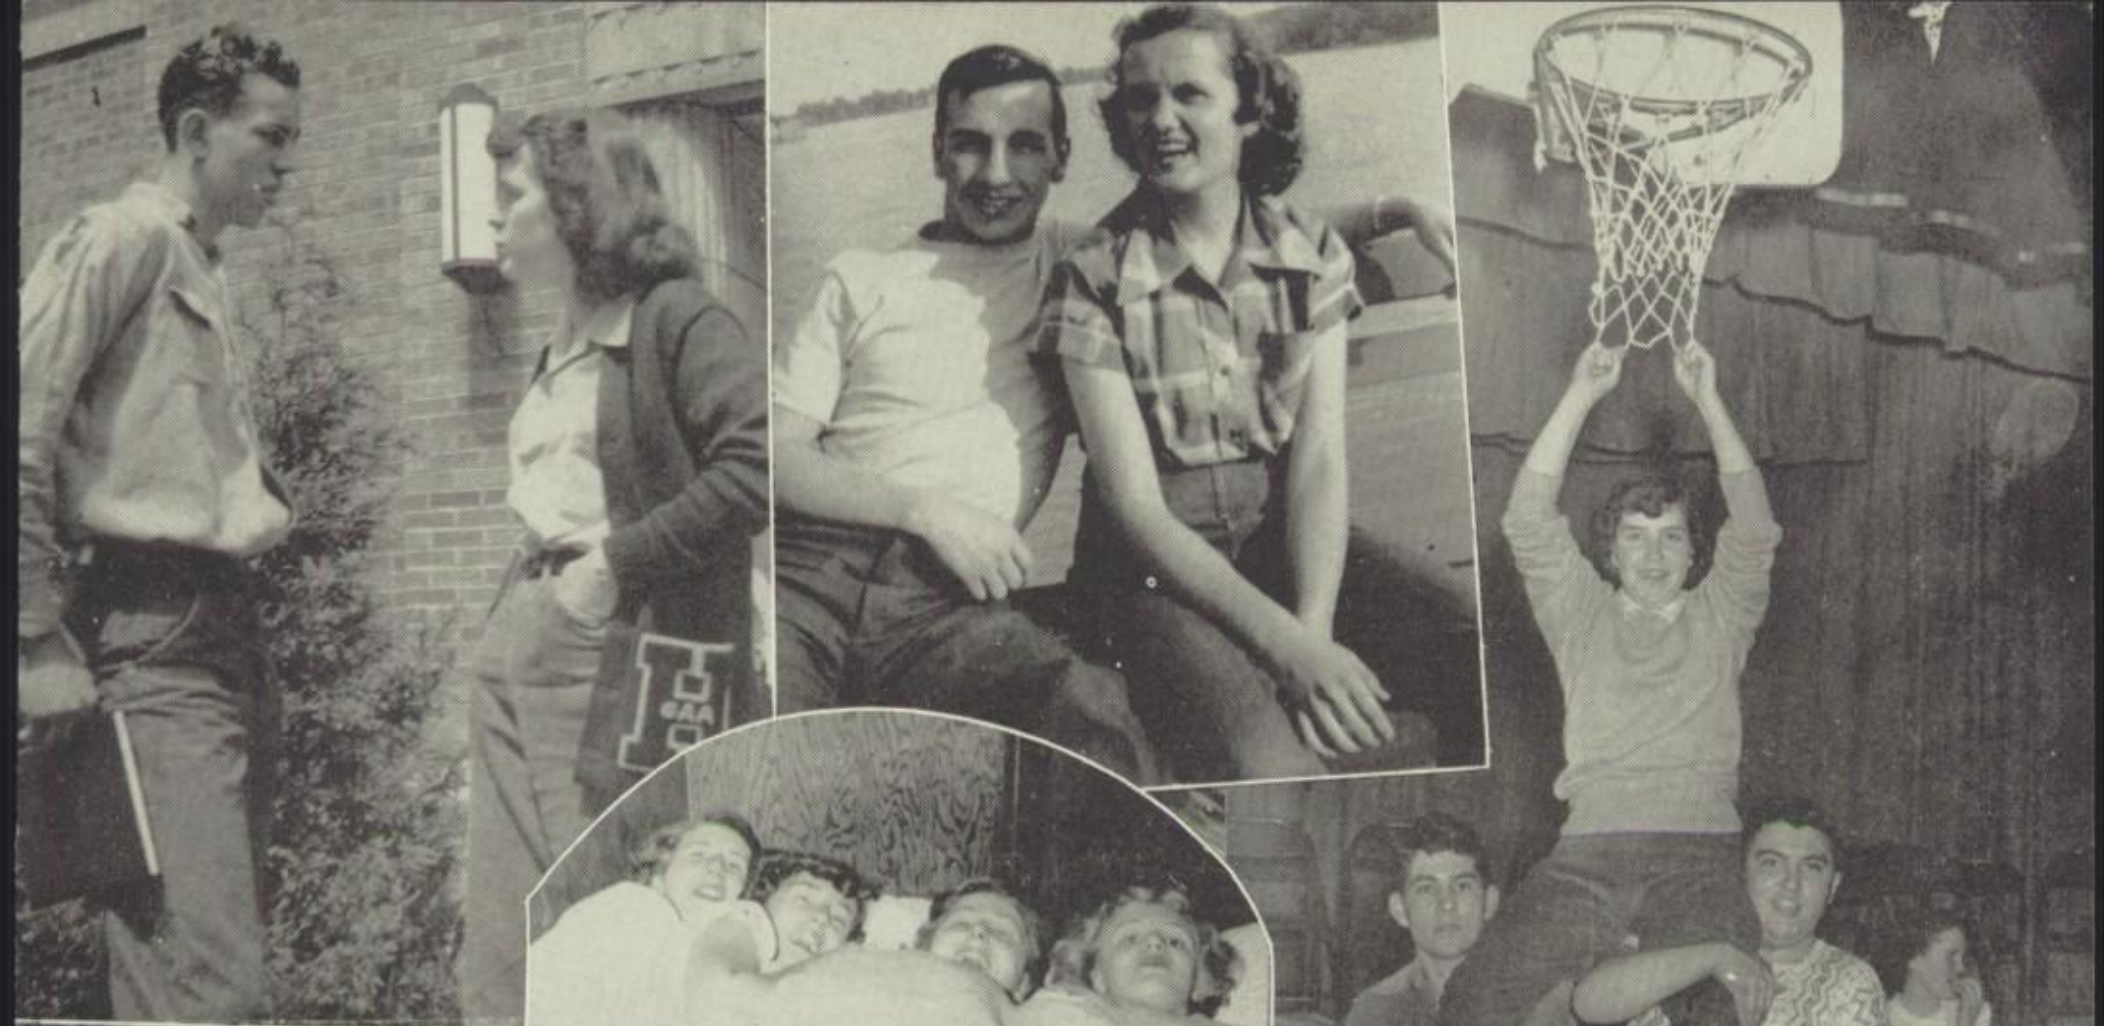
11—Juniors give Seniors a wonderful banquet. Thanks a lot.

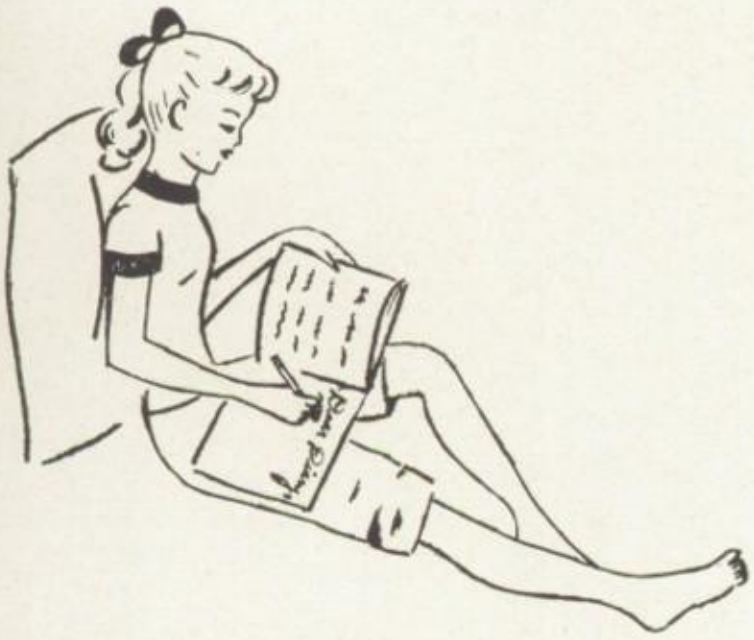
18—Senior Day—Out at last!

20—Baccalaureate . . .and it rained teardrops from our eyes.

23—Commencement . . . Signed, Sealed, and Delivered. (Diplomas, that is!)

27-31—Seniors leave for class trip to New York City. Our goal has been reached and we call it a day.





Row 1—Look what we have here. . . Now, Max you know I wouldn't! You wouldn't lie to me, would you?? Goodnight, Irene . . . I bet you girls got a lot of sleep! What ya' lookin' for, Connie? Bill's right there. Our hero!!

Row 2—Bob Feller, the second! A couple of our songbirds. Come on, now, take a BIG bite!! Oh, our achin' backs —those awful clean-up nights after basketball games. School days!! Ah, yes, looks as though they were given a pretty rugged civics assignment.

Row 3—Be patient gals—it won't be long now. Ain't that sweet!!
